17. Religion : Islam (Sunni)

18. Academic qualifications:

Exams. passed/ Degree obtained	Board/University	Year of Passing	Division/Class Obtained
Secondary School Certificate	Dhaka Board, Bangladesh	1970	First Division
Higher Secondary Certificate	Dhaka Board, Bangladesh	1972	First Division
B. Sc. (Hons.) in Chemistry	Jahangirnagar University Savar, Dhaka, Bangladesh	1976 (Exam. held in 1978)	Second Class (1 st Position in order of merit)
M. Sc. in Organic Chemistry (Thesis Group)	Jahangirnagar University, Savar, Dhaka, Bangladesh.	1977 (Exam. held in 1980)	First Class
Ph. D.	University of Delhi, India.	Research period 1987 to 1990	Degree awarded in 1990

19. Special Institutions attended and courses completed:

- i) Participated and successfully completed the Summer Science Institute in Chemistry, 1983 held in the University of Chittagong, from 15th May, 1983 to 12th June, 1983.
- ii) Participated and successfully completed the Professional Development Programme entitled “Refresher Course in Chemistry-Code 214” Organised by Centre for Professional Development in Higher Education, University of Delhi from December 13, 1989 to January 2, 1990.

20. Research Experience:

- i) Degree : M. Sc., Period: 1978-80.
Institution : Jahangirnagar University, Savar, Dhaka -1342, Bangladesh.
Supervisor : Professor Dr. Mesbah Uddin Ahmad.
Thesis Title : “Studies on acid catalyzed condensation of mesityl oxide with benzoyacetone and ethyl cyanoacetate.”
- ii) Degree : Ph. D., Period: 1987-1990.
Institution : University of Delhi, India.
Supervisor : Professor Dr. Vinod Kumar Ahluwalia
Thesis Title : “Synthesis of some pyrimidine and 3-thiosubstituted coumarin derivatives as potential therapeutics.”
- iii) N. C. S. T. Research Fellow, Period:01-02-1981 to 09-08-1981
Institution : B. C. S. I. R. Laboratories, Dhaka.
Supervisor : Dr. Quazi Nurul Haque.
Duties : Carried out research works on the conversion of polysaccharides into biologically active products.
- iv) **Four Students** carried out research works and submitted dissertations under my supervision and got M. Sc. degree in Chemistry.
- v) **Twenty two students** carried out research works and submitted dissertations under my supervision and got M.Sc./M.S. degree in Biochemistry & Molecular Biology.
- vi) **Three research students** carried out research works for **M. Phil. Degree** in Biochemistry & Molecular Biology under my supervision on the following research topics and **obtained M.Phil. Degree.**
 - (a) **Name of research student: Md. GolamKabir. Title:**Relationship of Free Insulin like growth factor-I (IGF-I) and insulin like growth factor binding protein-I (IGFBP-I) with insulin resistance in impaired glucose Tolerance (IGT) and type 2 Diabetes Mellitus.
 - (b) **Name of research student: S.K.M. Azizul Islam. Title:** Evaluation of Nutrients at different levels (Crop and Blood) Influencing Production Potential of Deshi Chicken.
 - (c) **Name of research student: Shahneaz Ali Khan. Title:** Production performance of ducks with their nutritional, health and preventive aceterminants under “The Model” at Chatkhil in Noakhali District.

- vii) **One research student** carried out research works for **Ph. D. Degree** in Biochemistry & Molecular Biology under my supervision on the following research topics and **got Ph.D. Degree**:
Name of research student: Sayed Shahidul Islam. Title: “TGF – beta mediated epithelial-to-mesenchymaltransdifferentiation (EMT) in human bladder cancer is sonic hedgehog dependent.”
- viii) **Two research students** carried out research works for **Ph. D. Degree** in Biochemistry & Molecular Biology under my supervision on the following Researchtopics:
- (a) **Name of research student: Abu Mohammed Ishaque. Title:** “Developments and Applications of Filter paper Radioimmunoassay (Fpria) And Filter paper Immunoradiometricassay (Fpirma) of Thyroid Related Hormones”.
The research student working on topic (a) submitted Ph.D. thesis. The three examiners highly acclaimed the research works done by him & unanimously strongly recommended for the award of Ph.D. degree to the research student. But it is ill luck that the research student died a few days before the scheduled date of Viva -voce.
- (b) **Name of research student : Dr Abu Taher. Title:**“Effect of iron on the development of central Nervous System”
The research student working on topic (b) submitted the Ph.D. thesis and the process of awarding Ph.D. degree was in the final stage.
- (c) **Two students** were carrying out research works for the Ph. D. degree under my supervision on the following topics:
- i) “Study to compare 24 hour urinary Calcium and spot urine Calcium Creatinine index.”
ii) “Study of Thyroglobulin (TG) in Different Thyroid Disorders in the Chittagong Region.”
21. **Research Interests:**
- i) Synthesis of heterocyclic compounds and evaluation of their biological activities.
ii) Selective acylation and alkylation of carbohydrate derivatives.
iii) Recent interest in research is in various fields of Biochemistry & Molecular Biology in collaboration with different Academic and Research Institutions.
22. **Field of Specialization:** Organic Chemistry and Biochemistry & Molecular Biology.
23. **Research publications: 37 (Thirty Seven)** research articles have been published in National and International reputed Journals. (Please See Appendix – A)
24. (a) **Executive Editor: The Chittagong University Journal of Biological Sciences.**
i) Vol. 2 (1 & 2), 2007; ii) Vol. 3 (1 & 2), 2008 and iii) Vol. 4 (1& 2), 2009.
(b) **Editor-in-Chief: Journal of Science and Technology, Mawlana Bhashani Science and Technology University.**
(i)Vol. 3(1&2), 2013(ii) Vol. 4(1), 2014 (iii) Vol. 5(1), 2015(iv) Vol. 6(1&2),2016 ,(v) Vol. 7(1&2), 2017.

- ❖ During student life in School (1968-1969), played vital role against the then Pakistani Autocratic rulers. During liberation war in 1971, played vital role in organizing the youths to participate in arms training and took arms training under BLF within the country. Specially after the unwanted brutal killing of the Father of the Nation Bangabandhu Sheikh Mujibur Rahman and his family members in 1975, played brave role to organize the students and people against this killing and participated in all most all demonstrations during that dark period in Dhaka. After joining as a teacher in Chittagong University, played pioneer role in organizing Bangabandhu Parishad Chittagong District Unit and Chittagong University Unit. These two units arranged so many seminars and other programmes on the occasion of Birthday and “Shahadat Barshiki” of the Father of the Nation Bangabandhu Sheikh Mujibur Rahman. The Chittagong University unit Bangabandhu Parishad is now a very well organized and an effective organization.
